## **Anticipated development of 4\* ski properties in world famous Portes Du Soleil now launched**

[Erna Low Property](#) is proud to announce the launch of a highly anticipated [ski property for sale](#) in Les Gets, part of one of the world's largest ski areas: Les Portes du Soleil. 74 high quality apartments and 8 chalets form *Les Fermes d'Emiguy* set for delivery in 2011. Prices for the apartments start from €135,000 for a studio and go up to €400,000 for a three bedroom property.

This exciting new project is being developed by Lagrange who, with over 40 years' experience of property development in the French Alps, have become a leading specialist developer and management company in France. *Les Fermes d'Emiguy* will boast all the top-level facilities expected of this high standard of accommodation, such as indoor / outdoor pool, jacuzzi, steam rooms and sauna. The residences will be built using traditional wood and stone materials typical of the region. A selection of attractive rental packages are available depending on usage, offering up to 4.5% return on the purchase price per year.

Joanna Yellowlees-Bound, CEO of Erna Low Property states 'Despite only just being launched, these properties are already receiving marked interest from both the English and French markets, indicating a possible turn in market conditions. Les Portes du Soleil is a well-established destination and immensely popular for both winter and summer mountain activities. With so little good stock coming on the market, this is a rare opportunity to purchase a fabulous ski property with the security of reputed developers and management company behind it.'

Les Gets forms part of the immense Portes du Soleil ski area with 650km of slopes over France and Switzerland, including several big name resorts such as Morzine, Champéry, Avoriaz and Chatel. Closest airport: Geneva (1 .5 hours)
